Governor Gretchen Whitmer issued one new Executive Order (hyperlinks below with recent EOs):

- **Executive Order 2020-111** - Requires owners and operators of employer-provided migrant housing to provide residents with the same safeguards businesses are required to provide workers under E.O. 2020-97 and additional requirements.

State Works to Get More Residents Testes

Health experts have repeatedly stated that increasing the number of those receiving tests for COVID-19 is key to safely reopening states. As a result, Michigan is working to ensure that cost isn't an impediment to residents getting tested. Along with the Department of Insurance and Financial Services, Governor Whitmer is reminding residents that for those that meet testing requirements, Federal law requires most insurance plans cover the cost of a test, with no out-of-pocket costs. Additionally, Medicaid and Medicare cover the cost of a test.
